

## LEGO® Flags: Romania • Rumänien

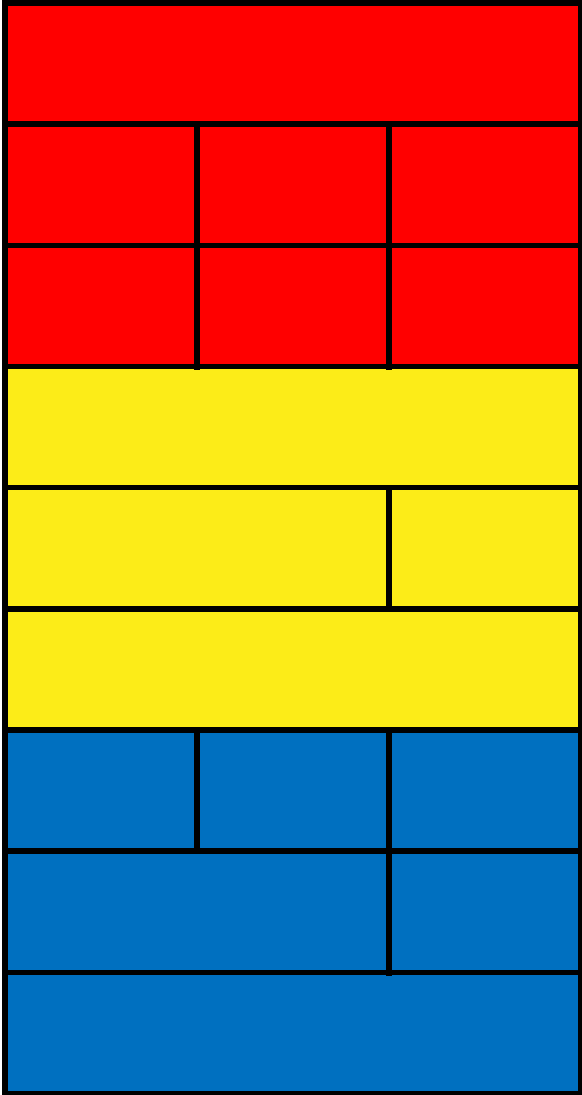

© German in the Afternoon, 2016

You will need:

4	blue	1x2	bricks
1	blue	1x4	bricks
1	blue	1x6	brick
1	yellow	1x2	brick
1	yellow	1x4	brick
2	yellow	1x6	bricks
6	red	1x2	bricks
1	red	1x6	brick

These are the bricks that we used. We decided to use 1x bricks instead of 2x bricks, probably because that's all we had! Or course, you could make them with 2x bricks if you prefer! Basically, you need enough bricks to make rows of 6 (and 3 rows in each color).

This flag has vertical stripes. We built it horizontally and then turned it on its side:

Finished Flag (remember to turn it 90 degrees to the right!):

Here's what ours looks like:
