This set of word posters was created to accompany the book *Kikaninchen. Wer fährt heute mit?* (arsEdition, 2011).

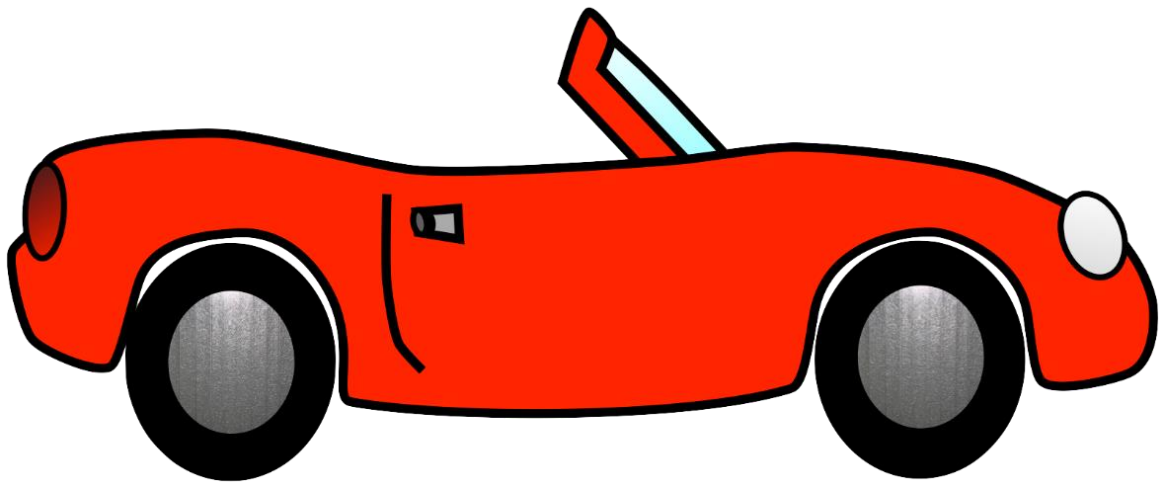

I am still looking for a *Seifenkiste* image! So I added a car instead.

We also sang "Die Räder von Bus" so I included a bus as well.

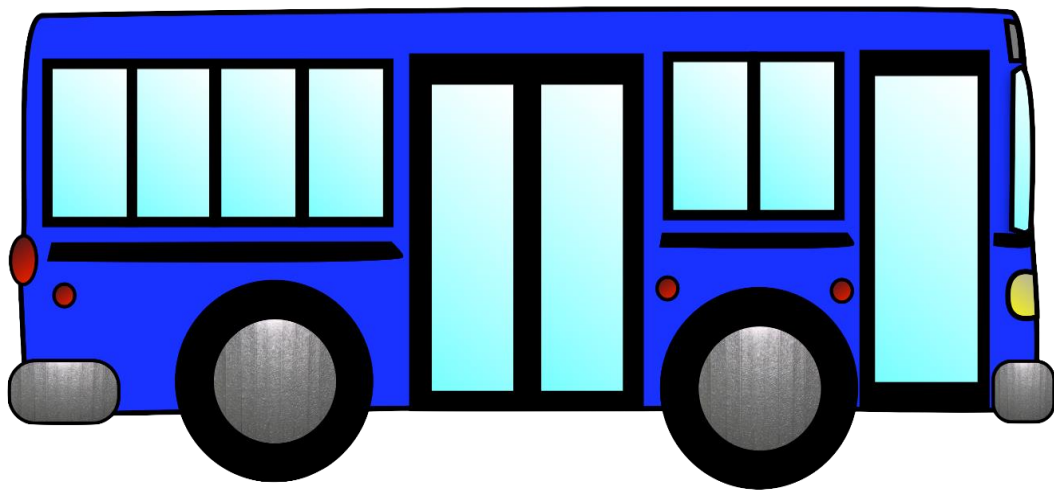

- das Auto car
- der Bus bus
- der Heißluftballon hot air balloon
- die Rakete rocket ship
- das Schiff ship
- die Seifenkiste soap box
- der Traktor tractor
- das U-Boot submarine
- der Zug train
